

Best Luxury Hotel

Best Luxury Hotel. The world's finest luxury hotel announced every month.

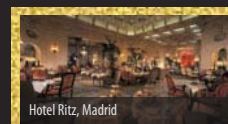

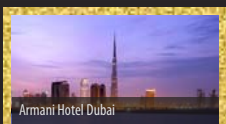

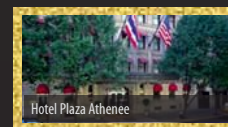

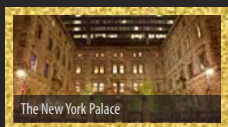

Best Luxury Hotel is the digital platform that allows you to nominate your favourite luxury hotel. This global title can only belong to one hotel at a time. So you can nominate any of the world's best hotels or resorts for the monthly award. Whether it's a luxury beach paradise, a spa retreat, an urban business hotel or your favourite location to hold events, nominate now via twitter or email.

Nominations

Nominated hotels appear on Best Luxury Hotel every month, showcasing hotels that were close to making it to the number one spot and came in the top ten. Best Luxury Hotel is committed to giving luxury hotel customers a voice and to putting their opinion first. We value these opinions and facilitate a central channel for recommendations to really count. In order to nominate your favourite hotel to win, email nominate@bestluxuryhotel.net with a brief description of why you are nominating the hotel, or tweet the hotel name followed by [@BestLuxuryHotel](https://twitter.com/BestLuxuryHotel). All nominations count and are reviewed by Best luxury hotel ambassadors to ensure their suitability. Visit Best Luxury Hotel at: www.BestLuxuryHotel.net
